

Murray Hill Institute Women's Business Ethics Forum

A study group for women executives and entrepreneurs who are interested in promoting ethical and effective business management, based on the dignity of the human person and the values of truth, freedom, and justice.

Quarterly meetings held on Fridays, 6:30 - 8 pm
243 Lexington Ave. (cor. 34th Street)
New York, NY 10016

Each quarterly meeting will focus on a case study that presents a specific ethical dilemma and the underlying philosophical points that should be considered in deciding on a correct course of action.
