women transforming culture

Murray Hill Institute is a non-profit organization that fosters strong and ethical leadership among women. The Institute affirms women in the unique role they play in promoting a more just and harmonious workplace.

Bring Out the Leader in You is a series of seminars for current and aspiring women leaders who strive to live personal and professional integrity in the workplace. These seminars explore competencies and skills that will help women:

- * increase their effectiveness
- * build relationships
- * set and manage priorities
- * project confidence
- * focus their time and energy on important tasks and events in their daily lives.

For more information, please contact
Murray Hill Institute
243 Lexington Avenue, New York, NY 10016
Tel. 646-742-2853

Cost: \$20 per seminar
